

Chapter 1

Fact Questions

Necessary Skills

- Identifying important information and facts stated in a passage
- Locating a specific piece of information in a passage quickly
- Understanding the distinction between main ideas and supporting details
- Focusing on facts, details, definitions, or other information presented in a passage

Example Questions

- According to the passage, who/when/where/what/how/why _____?
- According to paragraph X, which of the following is true of _____?
- The author's description of _____ mentions which of the following?
- According to paragraph X, _____ occurred because _____
- According to the passage, why did X do Y?

Strategies

- Look for transitional expressions to locate details such as examples, steps, time, reasons, or results.
- Pay attention to examples and descriptions that provide information and details.
- Eliminate choices presenting information that contradicts what is provided in the passage.
- Answer the specific question being asked. Do not select an answer just because it is mentioned in the passage.
